

B Pyramid May 17th Results

Congratulations to Pauly Y for outstanding play and winning the ACE Pro Am Singles of the 2003 season. Pauly defeated Jaime in the finals 19 in dramatic fashion. Both played great ball on Saturday beating quality players to get to the finals. Top seed John N. lost to Bucky in the qtrs though expected to win could not hang with Bucky's great defensive shot making and hard passing shots. Glad to see again more new faces in the Pyramid, AB, Leo, Eddie back on the pyramid. Glad to see Sean back in action.
